Sir:

In connection with the subject application, and pursuant to the Notice Of Draftsperson's Patent Drawing Review dated 30 October 2003, and further pursuant to the Office Actions dated 05 November 2003 and 13 January 2006, applicant encloses herewith for filing four (4) sheets of corrected formal drawings containing Figs. 1-4.

The Notice Of Draftsperson's Patent Drawing Review dated 30 October 2003 indicated that the official draftsperson objected (1) to "[e]rasures, alterations, overwritings, interlineations, folds, copy machine marks" on Figs. 1-4; and (2) that "[l]ines, numbers & letters not uniformly thick and well defined, clean, durable, and black (poor line quality)" on Fig. 1.

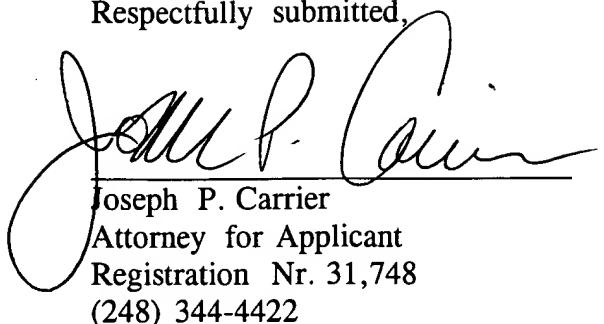

The Office Action dated 05 November 2003 indicated that the examiner objected to the drawings filed with the application on 17 April 2001, but did not elaborate.

Conversely, the Office Action dated 13 January 2006 indicated that the examiner accepted the drawings filed with the application on 17 April 2001.

It is now believed that all of the draftsperson's objections as set forth in the Notice Of Draftsperson's Patent Drawing Review are overcome.

Favorable reconsideration is respectfully requested.

Respectfully submitted,
